- 1.4. **The products offered may not be used as a substitute for a balanced diet.**

2. Order process, offer, acceptance of offer, completion of contract, billing and collection of amount receivable

- 2.1. A Customer’s order in the Organic+ Store (the order process is completed by clicking on the button marked “BUY NOW”) constitutes a binding offer to buy the ordered products from myWorld Solutions.
- 2.2. The order confirmation that is sent automatically upon completion of the order process does not represent an acceptance of the offer by myWorld Solutions. The contract will come into effect only if and when the ordered products are dispatched by myWorld Solutions to the Customer.
- 2.3. The contract of sale is between myWorld Solutions and a Customer. However, the billing process and the collection of the amount receivable are carried out either by myWorld Solutions Group AG itself or it is carried out on behalf of myWorld Solutions by the service company, listed in Appendix 1, in the country in which the Customer resides.

3. Retention of title

The delivered goods will remain the property of myWorld Solutions until they are paid in full.

4. Prices, mode of payment, shipping costs and delivery

- 4.1. The product prices in the Organic+ Store are indicated in the respective national currency (see Appendix 2) and are inclusive of the statutory rate of value added tax but are exclusive of shipping costs (see clause 4.2.)
- 4.2. In addition to the indicated product prices, shipping costs may be payable. The amount of shipping cost depends on the size and weight of the ordered products. The amount of shipping cost will be calculated during the order process and will be indicated to the Customer before the ordering process is completed.
- 4.3. myWorld Solutions accepts payment by credit card. Credit card payments will be debited upon completion of the order by the Customer. No other payment options are accepted.
